

Bitch

“ Her mouthy wordplay
and virtuous electric violin
are seriously hot ”

The Village Voice

Armed with an electric violin, a ukulele and a bass guitar, Bitch is back on the road — and back on a rampage. Her former band, Bitch and Animal, released three albums together, two on the groundbreaking Righteous Babe label. Now, setting out on a new solo road, Bitch is politically charged, musically innovative, and as dramatic as ever. She’s following her vision of making music that is symphonic and beatworthy, from break-your-heart ballads to raising-the-roof revolutionary.
