

HOT CLUB OF COWTOWN

2009

“ Front and center in
the new generation of pickers
and grinners ”

Arizona New Times

From the Grand Ol' Opry to *Prairie Home Companion*, Hot Club of Cowtown have ascended from their unlikely beginnings in NYC's East Village to become the premier ambassadors of hot jazz and Western swing today. Their sophistication and sizzle recall Stephane Grappelli and Django Reinhardt, but you'll also hear echoes of Bob Dylan and Willie Nelson, with whom the band has toured. Their new CD lands impressively between noir sophistication and late-night country radio.
