John Gorka is one of the most respected and loved songwriters in America, famed for his rich, expressive baritone, his indelible melodies and wicked observations, his wit and charm. The *New York Times* has praised his “fresh lyrics, stunning emotion and twisted humor.” The New Jersey native has released 11 acclaimed albums over the years, leading one publication to dub him “the energizer bunny of songwriters. Each new release not only equals the quality of the last, but exceeds it.”
