

Make your mark

*A unique opportunity
for friends of
CSPS Hall*

Looking back, we like to think that Legion Arts has made its mark — not only on artists and audiences, but on the neighborhood, the community, and Iowa's cultural scene in general.

That's especially been the case since 2010, as we've repaired and restored historic CSPS Hall, along with the firehouse next door — in the process setting off a flurry of development in New Bohemia.

With support from many friends, we've worked to develop an integrated campus here on Third Street. Last year we constructed a new parking lot at the rear of the building, and this spring we're installing a public courtyard alongside CSPS.

By our lights, the timing is ideal. CSPS Hall will turn 125 later this year, and we like to think the building has never looked better.

And now you can make *your* mark — a public sign of your involvement and support.

For a donation of \$125 or more we'll inscribe your name, or other designation, on a brick to be placed in a special area of the courtyard.

It's simple: just return the attached form, with your payment, to make your support visible.

But don't delay! Only a limited number of bricks, and an even more limited number of larger pavers, are available, and we need to order the engraving by the middle of May.

Yes!

For a tax-deductible donation of \$125 or more, we'll inscribe your name, or other designation, on a brick to be placed in a special corner of the courtyard.

A standard paver, 4 by 8 inches, will accommodate two lines of text, with up to 16 characters per line (counting letters, numbers and spaces). Text will be centered on the paver. Larger pavers, 8 inches square, are available for a donation of \$350 or more. Call us for details.

But don't delay! We need to order the engraved bricks by May 13.

Make your mark
